**Course Fee \$115.00\*** A P.O. or credit card payment of \$75 must be given to Safe Kids when registering and a check payable to the Florida Crime Prevention Association \$40 must be mailed to Lee County Sheriff's Office Attn: S. Payne 14750 Six Mile Cypress Pkwy, Ft. Myers, FL 33912

The national standardized child passenger safety technician certification course combines classroom instruction, hands-on work with car seats and vehicles, and a community safety seat checkup event, where students demonstrate proper use and installation of child restraints and safety belts and then teach these skills to parents. Successful completion of this course certifies the individual as a CPS technician for two years.

CPS Technicians and Instructors put their knowledge to work through a variety of activities, including child safety seat checks where parents and caregivers receive education and hands-on assistance with the proper use of child restraint systems and safety belts.

Students with special needs should send a written request to the lead instructor, documenting the need and specifying the accommodation requested before the start date of the course.
